Veterans Crisis Line Improves Service with Expansion in Atlanta

Suicide prevention remains a top priority for the Department of Veterans Affairs (VA). The Veterans Crisis Line (VCL) saves lives and is an example of how VA is leading the way in suicide prevention.

The Veterans Crisis Line is Saving Lives!

In Fiscal Year 2016, the Veterans Crisis Line answered over 510,000 calls, initiated the dispatch of emergency services over 12,000 times, handled more than 53,000 chat requests and another 15,000 texts and provided over 86,000 referrals to local VA Medical Center Suicide Prevention Coordinators to ensure Veterans were connected to care in their communities.

In October 2016, VA added a second Veterans Crisis Line (VCL)(1-800-273-8255 & Press 1) facility in Atlanta, Georgia.

The Atlanta facility allowed the VA to assist nearly 600 additional Veterans each day, essentially doubling the Department's capacity to help Veterans in need.

The addition of the second facility enhances the VA's ability to provide 24/7 suicide prevention and crisis intervention services by trained, dedicated VA employees to Veterans, Service members and their families:

As of Dec. 8th, the VCL answered 44% more calls and referred 20% more Veterans to local Suicide Prevention Coordinators than it did in March 2016.

The rollover rate (calls directed to contract call centers) has declined from 30% in March 2016 to 16% and is expected to decrease to zero by the end of the year.

Veterans are waiting less time to speak to a trained responder. In December 2016 Veterans are having to wait an average of 9.2 seconds, compared to 10.4 seconds in March 2016.

The Canandaigua, NY, and Atlanta, GA facilities currently employ more than 500 professionals, as the VA contin-

ues to hire more to help handle the growing volume of calls.

Atlanta, GA has 200 call responders and 25 social service assistants and support staff, while Canandaigua, NY houses 310 call responders and 43 social service assistants and support staff.

VA has streamlined and standardized how crisis calls from other VA locations such as medical centers reach the VCL. By the end 2016, VA will have fully implemented the automatic transfer function to connect Veterans who call their local VA Medical Centers directly to the VCL by pressing 7 during the initial automated phone greeting.

How to reach the VCL

Veterans Crisis Line is the Gold Standard:

- VCL is critical to connecting Veterans with VA facility-based Suicide Prevention Coordinators (SPCs). SPC teams within each Veterans Affairs Medical Center (VAMC) work to engage Veterans and communities to raise awareness about VA's suicide prevention and behavioral health resources.
- VCL interfaces with the VA Suicide Prevention Program Office and the Substance Abuse and Mental Health Services Administration to provide critical services that ultimately provide a safe haven for Veterans and Service members.

Since its launch in 2007, with the passage of the Joshua Omvig Veterans Suicide Prevention Act, the Veterans Crisis Line has:

- Answered over 2.6 million calls
- Dispatched emergency services to callers in imminent crisis more than 68,000 times
- Engaged over 318,000 Veterans or concerned family members through the chat option
- Responded to nearly 63,000 requests with the text service
- Forwarded nearly 425,000 referrals to local VA suicide prevention coordinators on behalf of Veterans to ensure continuity of care with Veterans local VA providers

To speak to a trained VA professional who is specially trained to attend to emotional crisis for Veterans and Service members call the National Suicide Prevention Hotline at:

A Message From the County Veterans Service Officer

Happy New Year and welcome to 2017! Last year was a busy year for us here at the Medina County Veterans Service Office. We saw more than 3,000 Veterans and eligible family members stroll through our doors. More than 500 Financial Assistance applications were submitted and we submitted more than 2,000 applications to the Department of Veterans Affairs (VA) on behalf of our clients. One of our biggest changes this year was the expansion of our van trips to the Akron CBOC on Fridays. We transported more than 1,200 veterans to and from the VA Medical Centers in Cleveland, Parma and Akron. We recognized our Vietnam Veterans with three huge events throughout the county, (we still have commemorative coins left, get yours today!) raised money to help the Vietnam Veterans of America (VVA) scholarship fund as well as made a donation to the Family Readiness Group of the Ohio National Guard in Medina. None of this could have been accomplished without the hard work and dedication of our staff here at the Medina County Veterans Service Office and the many volunteers from across the county. We are truly blessed to have so many people that care so much about our Veterans. "Medina is a great place to live, especially if you're a Veteran!"

We look forward to another busy and productive year here at the Medina County Veterans Service Office. It is an honor to serve you and the Veterans of Medina County.

Have a joyous, healthy and prosperous 2017!

VA Pension with Aid & Attendance and Housebound

VA's pension program provides monthly benefit payments to certain wartime Veterans with financial need, and their survivors. As Veterans and survivors consider applying for these benefits, VA would like to share important information about the pension program and organizations offering assistance with pension applications.

Veterans and survivors who are eligible for a VA pension and require the aid and attendance of another person, or are housebound, may be eligible for additional monetary payment. These benefits are paid in addition to monthly pension, and they are not paid without eligibility to Pension.

Pension is a needs-based benefit paid to a wartime Veteran and his/her survivor(s). A Veteran may generally be eligible if he/she: was discharged from service under other than dishonorable conditions, AND

served 90 days or more of active military, naval or air service with at

Mobile Service Office

By literally putting our service offices on the road, assisting veterans where they live, the DAV is increasing accessibility to the benefits our nation provides to its veterans.

This program is designed to educate disabled veterans and their families on specific veterans' benefits and services. This outreach program generates considerable claims work on behalf of veterans and their families. NSOs, often aided by Department and Chapter Service Officers, travel to communities across the country to counsel and assist veterans with development of evidence, completion of required applications and prosecution of claims for veterans benefits administered under federal, state and local laws.

ELIGIBILITY DETERMINATIONS FOR BURIAL - IN ADVANCE OF NEED

WASHINGTON – The Department of Veterans Affairs (VA) today announced it now provides eligibility determinations for interment in a VA national cemetery prior to the time of need. Through the Pre-Need Determination of Eligibility Program, upon request, individuals can learn if they are eligible for burial or memorialization in a VA national cemetery.

"MyVA is about looking at VA from the Veterans' perspective, and then doing everything we can to make the Veteran Experience effective and seamless," said Secretary of Veterans Affairs Robert A. McDonald. "This new program reaffirms our commitment to providing a lifetime of benefits and services for Veterans and their families."

Interested individuals may submit VA Form 40-10007, Application for Pre-Need Determination of Eligibility for Burial in a VA National Cemetery, and supporting documentation, such as a DD Form 214, if readily available, to the VA National Cemetery Scheduling Office by: toll-free fax at 1-855-840-8299; email to Eligibility.PreNeed@va.gov; or mail to the National Cemetery Scheduling Office, P.O. Box 510543, St. Louis, MO 63151.

VA will review applications and provide written notice of its determination of eligibility. VA will save determinations and supporting documentation in an electronic information system to expedite burial arrangements at the time of need. Because laws and personal circumstances change, upon receipt of a burial request, VA will validate all pre-need determinations in accordance with the laws in effect at that time.

VA operates 135 national cemeteries and 33 soldiers' lots in 40 states and Puerto Rico. More than 4 million Americans, including Veterans of every war and conflict, are buried in VA's national cemeteries. VA also provides funding to establish, expand and maintain 105 Veterans cemeteries in 47 states and territories including tribal trust lands, Guam, and Saipan. For Veterans buried in private or other cemeteries, VA provides headstones, markers or medallions to commemorate their service. In 2016, VA honored more than 345,000 Veterans and their loved ones with memorial benefits in national, state, tribal and private cemeteries.

Eligible individuals are entitled to burial in any open VA national cemetery, opening/closing of the grave, a grave liner, perpetual care of the gravesite, and a government-furnished headstone or marker or niche cover, all at no cost to the family. Veterans are also eligible for a burial flag and may be eligible for a Presidential Memorial Certificate.

Information on VA burial benefits is available from local VA national cemetery offices, from the Internet at www.cem.va.gov, or by calling VA regional offices toll-free at 800-827-1000. To make burial arrangements at any open VA national cemetery at the time of need, call the National Cemetery Scheduling Office at 800-535-1117.

least 1 day during a period of war*, AND his/her countable income is below the maximum annual pension rate, AND meets the net worth limitations, AND is age 65 or older, OR is shown by evidence to have a permanent and total non-service connected disability, OR is a patient in a nursing home, OR is receiving Social Security disability benefits.

*Veterans who entered active duty after September 7, 1980, must also have served at least 24 months of active duty service. If the total length of service is less than 24 months, the Veteran must have completed his/her entire tour of active duty.

Since Aid and Attendance and Housebound allowances increase the pension amount, people who are not eligible for a basic pension due to excessive income may be eligible for pension at these increased rates. A Veteran or surviving spouse may not receive Aid and Attendance benefits and Housebound benefits at the same time.

Aid & Attendance (A&A)

The Aid & Attendance (A&A) increased monthly pension amount may be added to your monthly pension amount if you meet one of the following conditions:

You require the aid of another person in order to perform personal functions required in everyday living, such as bathing, feeding, dressing, attending to the wants of nature, adjusting prosthetic devices, or protecting yourself from the hazards of your daily environment

You are bedridden, in that your disability or disabilities requires that you remain in bed apart from any prescribed course of convalescence or treatment.

You are a patient in a nursing home due to mental or physical incapacity

Your eyesight is limited to a corrected 5/200 visual acuity or less in both eyes; or concentric contraction of the visual field to 5 degrees or less

Housebound

This increased monthly pension amount may be added to your monthly pension amount when you are substantially confined to your immediate premises because of permanent disability.

BE AWARE

Be cautious if someone offers to move your assets around for you to qualify for VA pension. This type of scam is often directed toward Veterans and family members who do not actually qualify for VA pension. You could be required to repay these benefits to the government.

Examples of possible pension poaching scams:

Organizations that cold call Veterans, charge money for assisting with a VA pension claim, and take credit card information from Veterans over the telephone.

People who charge as much as $6,000 upfront to represent claimants before VA, with a percentage of any eventual back payment from VA as a portion of the ultimate fee.

For more information about VA pension eligibility requirements—which include special monthly pension benefits—go to www.benefits.va.gov/pension or call 1-800-827-1000 or call the Medina County Veterans Service Office at 330.722.9368.
